

6. Donna Shalala, Secretary, U. S. Dept. of Health and Human Services
e. Irradiation in the Production, Processing and Handling of Food

Dear Secretary Shalala:

Very Urgently 1377 01 JAN - 3 AM '01
I am concerned about the FDA's proposal to eliminate the labels from foods
treated with radiation. I strongly believe I have a right to know if my food
has been irradiated. I urge you to support the rights of citizens by
maintaining permanent, prominent and precise labels for all foods treated
by radiation. *Otherwise, we will all die sooner than*
later.

Sincerely,
